## **ARRIVO NEBBIOLO 2008**

WEDNESDAY, SEP 28 2011

**BY CAMPBELL MATTINSON**

Arrivo nebbiolo has been such a positive addition to the Australian wine landscape. This is the fifth release. The first – from the 2004 vintage – was probably the most heralded. This is almost ready to rip. It has a leathery, savoury, licoricey profile and even as a young wine, it's delicious at every turn. It comes complete with good sturdy tannin but there's a softness to this tannin that makes it feel unobtrusive. Eucalypt/menthol characters play a part leathery/earthy/tarry characters win the day. To really see it at its best though – wait another year or two.

**Rated: 92 Points**  
**Alcohol: 14.5%**
